We have moved the Food Court back to its home on Michigan Ave!

Some large changes have happened this year because our Festival is growing! The Classic Car Show will take place the weekend before, and has been replaced with 3 days worth of downtown Events.

We have a large tent with a stage jam packed with events Thursday-Saturday, as well as our annual Arts and Craft Show in the City Park and the Canoe Marathon Events throughout town. For a full list of events visit <https://graylingchamber.com/chamber-events/ausable-river-festival-intl-canoe-marathon/>

With all these events taking place we have decided to increase the Food Court to two days.

The Food Court will be set up for Friday and Saturday for the same times as well!

As an Information Booth you have the option to do one day or two days.

We just ask that you are providing some sort of fundraiser, activities, or anything to engage the public with your booth. The goal of these new events downtown is to increase the amount of events that our festival has and to create more family friendly events to help attract different types of people.

Once you are accepted into our Festival you will receive an acceptance letter. Within the first week of July you will receive an email from the committee with details for set up and take down.

The AuSable River Festival Committee and Grayling Chamber will be promoting the Festival in a new publication featuring all Festival Events with a detailed Map of where to find them. We will also promote the Food Court Area in all publications regarding the Festival, Social Media and Community Calendars.

Please submit your application no later than July 1st to Grayling Chamber of Commerce
