MICHIGAN AVE
(100 BLOCK)

Last year was a success! We will continue to have the Food Court on its home on Michigan Ave! As our Festival continues to grow, the Classic Car Show will remain the weekend before (July 20th) we have filled the downtown space with 3 days worth of events. Right next to the Food Court which takes place on the 100 block we have large a stage packed with Music and Events and a beer tent, this takes place on the 200 block and is scheduled for Thursday-Saturday. On the 300 block we have Kids activities, booths, and Events. In the City Park Friday & Saturday we have our annual Arts and Craft Show as well as all the Canoe Marathon Events taking place throughout town. For a full list of events and more information on our festival visit

www.ausableriverfest.com

With all these events taking place, our **Food Court is now a two day event!**
The Food Court will be set up for Friday and Saturday for the same times as well!
As an Information Booth you have the option to do one day or two days.

We just ask that you are providing some sort of fundraiser, activities, or anything to engage the public with your booth. The goal of these new events downtown is to increase foot traffic and the amount of events that our festival has to create more family friendly events to help attract different types of people to our businesses and community all year long!

Once your booth is accepted into Festival this year you will receive an acceptance letter. Within the first week of July you will receive an email from the committee with details for set up and tear down.

The AuSable River Festival Committee and Grayling Chamber will be promoting the Festival in a publication featuring all Festival Events with a detailed Map of where to find them. We will also promote the Food Court Area in all publications regarding the Festival, Social Media and Community Calendars.

Please note we will NOT be providing any electricity, you are responsible for providing your own; please do so with as quiet a generator as possible. If this requires you to leave at night with your truck/equipment please note that on the application.

Please submit your application no later than July 1st to the Grayling Chamber of Commerce
Once accepted into our Festival you will receive an acceptance letter. Within the first week of July you will receive an email from the committee with details for set up and tear down.
